SUMMARY OF THE NOTICE

Statement of the Settlement Class’s Recovery

1. Subject to Court approval, Lead Plaintiffs, on behalf of the Settlement Class, have agreed to settle the claims against Defendants in exchange for a payment of \$3,325,000 in cash (the “Settlement Amount”), which will be deposited into an interest-bearing Escrow Account (the “Settlement Fund”). Based on Co-Lead Counsel’s estimate of the number of shares of the Fund eligible to participate in the Settlement, and assuming that all investors eligible to participate in the Settlement do so, it is estimated that the average recovery, before deduction of any Court-approved fees and expenses, such as attorneys’ fees, litigation expenses, Taxes, and Notice and Administration Expenses, would be approximately \$0.009 per allegedly damaged share.² If the Court approves Co-Lead Counsel’s Fee and Expense Application (discussed below), the average recovery would be approximately \$0.006 per allegedly damaged share. **These average recovery amounts are only estimates and Settlement Class Members may recover more or less than these estimated amounts.** A Settlement Class Member’s actual recovery will depend on, for example: (i) the total number of claims submitted; (ii) the amount of the Net Settlement Fund; (iii) when the Settlement Class Member purchased or acquired shares of the Fund during the Class Period; and (iv) whether and when the Settlement Class Member sold shares. See the Plan of Allocation beginning on page 10 for information on the calculation of your Recognized Claim.

Statement of Potential Outcome of Case if the Action Continues to Be Litigated

2. The Parties disagree about both liability and damages and do not agree about the amount of damages that would be recoverable if Lead Plaintiffs ultimately were to prevail on each claim alleged. The issues on which the Parties disagree include, for example: (i) whether any statements of false or misleading material facts or material omissions were made; (ii) the extent to which factors such as general market, economic, and industry conditions influenced the trading prices of the Fund’s shares; and (iii) whether class members suffered any damages.

3. Defendants have denied and continue to deny any and all allegations of wrongdoing or fault asserted in the Action, deny that they have committed any act or omission giving rise to any liability or violation of law, and deny that Lead Plaintiffs and the Settlement Class have suffered any loss attributable to Defendants’ actions or omissions. While Lead Plaintiffs believe that they have meritorious claims, they recognize that there are significant obstacles in the way to recovery.

² An allegedly damaged share might have been traded, and potentially damaged, more than once during the Class Period, and the average recovery indicated above represents the estimated average recovery for each share that allegedly incurred damages.

Statement of Attorneys' Fees and Expenses Sought

4. Co-Lead Counsel will apply to the Court for an award of attorneys' fees from the Settlement Fund, on behalf of all Plaintiffs' Counsel, in an amount not to exceed 25% of the Settlement Fund, which includes any accrued interest. Co-Lead Counsel will also apply for payment of litigation expenses incurred in prosecuting the Action in an amount not to exceed \$170,000, plus accrued interest, which may include an application pursuant to the Private Securities Litigation Reform Act of 1995 ("PSLRA") for an award to Lead Plaintiffs directly related to their litigation efforts on behalf of the Settlement Class. If the Court approves Co-Lead Counsel's Fee and Expense Application in full, the average amount of fees and expenses, assuming claims are filed for all shares eligible to participate in the Settlement, will be approximately \$0.003 per allegedly damaged share. A copy of the Fee and Expense Application will be posted on www.CatalystSecuritiesSettlement.com after it has been filed with the Court.

Reasons for the Settlement

5. For Lead Plaintiffs, the principal reason for the Settlement is the guaranteed cash benefit to the Settlement Class. This benefit must be compared to the uncertainty of being able to overcome the Court's dismissal of the Complaint in response to Defendants' motion to dismiss; the uncertainty of being able to prove the allegations against Defendants asserted in the Complaint; maintaining certification of the class through trial; the uncertainty of a greater recovery after a trial and in post-trial appeals; the risks of litigation, especially in complex actions like this; as well as the difficulties and delays inherent in such litigation (including any trial and appeals).

6. For Defendants, who deny all allegations of wrongdoing or liability whatsoever and deny that Settlement Class Members were damaged, the principal reason for entering into the Settlement is to end the burden, expense, uncertainty, and risk of further litigation.

Identification of Attorneys' Representatives

7. Lead Plaintiffs and the Settlement Class are represented by Co-Lead Counsel, James W. Johnson, Labaton Sucharow LLP, 140 Broadway, New York, NY 10005, (888) 219-6877, settlementquestions@labaton.com; and Evan J. BASIC INFORMATION

1. Why did I get this Notice?

9. You or someone in your family may have purchased or otherwise acquired Class A, Class C, and/or Class I shares of the Fund during the period from November 1, 2014 through June 30, 2017, inclusive (the "Class Period"). **If you wish to be eligible for a payment, you are required to submit the Claim Form that is available on the Settlement website, www.CatalystSecuritiesSettlement.com, or you may request that a Claim Form be mailed to you by calling the Claims Administrator. See Question 8 below.**

10. The Court directed that notice of the Settlement be sent to Settlement Class Members because they have a right to know about the proposed Settlement of this class action lawsuit, and about all of their options, before the Court decides whether to approve the Settlement.

11. The Court in charge of the Action is the United States District Court for the Eastern District of New York, and the case is known as *Emerson, et al. v. Mutual Fund Series Trust, et al.*, No. 2:17-cv-02565-ADS-GRB. The Action is assigned to the Honorable Arthur D. Spatt, United States District Judge.

2. What is this case about and what has happened so far?

12. Lead Plaintiffs allege that the Fund was marketed to investors as a capital preservation fund, with low volatility and low market correlation. As such, Lead Plaintiffs allege that the Fund attracted conservative investors seeking a steady investment with low correlation to the stock market. The Fund offered shares to investors pursuant to Registration Statements and Prospectuses. These Offering Materials allegedly promoted the Fund as a low-risk and conservative investment vehicle, with allegedly inaccurate statements. Lead Plaintiffs allege the Fund routinely made complex trades that amounted to massive shorts of the Standard & Poor's 500 Index ("S&P 500") that exposed the Fund to potentially unlimited losses of capital if the market were to rapidly move up. Because the Fund faced the potential risk of unlimited loss of capital in a rapidly rising market, the Fund was not the conservative investment portrayed to investors. Rather, Lead Plaintiffs allege it was highly speculative and not suitable for all investors, including investors seeking capital preservation, low volatility, and low exposure to the movement of the U.S. equity markets.

13. As a result, in February 2017, Lead Plaintiffs allege the Fund had a “melt down” when the S&P 500 experienced a steady and rapid increase in value. Between February 2 and February 15, 2017, the net asset value (“NAV”) for the Fund’s shares fell approximately 15%.

14. On April 28, 2017, a securities class action complaint was filed in the United States District Court for the Eastern District of New York on behalf of investors in the Fund, titled *Emerson, et al. v. Mutual Fund Series Trust, et al.*, No. 2:17-cv-02565-ADS-GRB and was assigned to the Honorable Leonard D. Wexler. On January 2, 2018, Judge Wexler recused himself from the case and the matter was reassigned to the Honorable Arthur D. Spatt.

15. On January 8, 2018, the Court issued an Order appointing Eugene Almendinger, Jeffrey Berkowitz, Debra Folk, Earle Folk, Maryann Lovelidge, Tom Lovelidge, and William H. Tod as co-lead plaintiffs and approving their selection of Robbins Geller Rudman & Dowd LLP and Labaton Sucharow as co-lead counsel.³

16. Lead Plaintiffs, through Co-Lead Counsel, have conducted a thorough investigation relating to the claims, defenses, and underlying events and transactions that are the subject of the Action. This process included reviewing and analyzing: (i) documents filed by the Trust and the Fund with the U.S. Securities and Exchange Commission (“SEC”); (ii) publicly available news articles and reports about the Trust, Catalyst, and the Fund; (iii) press releases, investor communications, and other public statements regarding the Fund; and (iv) the applicable law governing the claims and potential defenses. Co-Lead Counsel also consulted with a financial industry expert on issues concerning mutual funds and the derivative trading strategies at issue and interviewed the Fund’s portfolio manager.

17. Following Lead Plaintiffs’ initial investigation, on March 30, 2018, Lead Plaintiffs filed an Amended Complaint for Violations of the Securities Act of 1933 (the “Complaint”) alleging violations of Sections 11, 12(a)(2) and 15 of the Securities Act of 1933 (“Securities Act”), on behalf of a class of all persons and entities that purchased or otherwise acquired shares of the Fund in continuous offerings pursuant to registration statements and prospectuses for the Fund filed on November 1, 2014, November 3, 2016, April 6, 2017, and April 13, 2017, and were damaged thereby.

18. On June 5, 2018, Defendants filed a Joint Motion to Dismiss the Complaint, raising several grounds for dismissal, including, among others, that the offering materials for the Fund fully disclosed the risks of investing in the Fund, that the allegations of misstatements and omissions were insufficient, that the claims asserted in the Complaint were not timely, that Lead Plaintiffs failed to allege that the Individual Defendants and Catalyst were statutory sellers, that the Complaint failed to plead loss causation, and that Lead Plaintiffs did not adequately allege control. Lead Plaintiffs opposed the motion on August 6, 2018, and Defendants filed a reply brief in support of their motion to dismiss on September 20, 2018.

19. On March 5, 2019, Lead Plaintiffs moved, pursuant to Federal Rule of Civil Procedure (“Rule”) 41(a)(1)(i), to voluntarily dismiss Defendant Edward Walczak from the Complaint. The motion was granted on March 7, 2019, and Walczak’s name was removed from the caption.

20. On June 25, 2019, the Court granted Defendants’ motion to dismiss the Complaint in its entirety and dismissed Lead Plaintiffs’ claims with prejudice. A judgment was entered the following day, on June 26, 2019 (the “Dismissal Judgment”). In dismissing the Action, the Court held, among other things, that the alleged misstatements and omissions are either categorically non-actionable or are rendered non-actionable by the various risk disclosures repeated throughout the offering documents; and that the Complaint does not adequately allege that (i) the Individual Defendants or Catalyst are statutory sellers or (ii) Catalyst controlled the Fund.

21. On July 18, 2019, Lead Plaintiffs moved, pursuant to Rule 59(e), to alter or amend the Dismissal Judgment, entered on June 26, 2019, and for leave, pursuant to Rule 15(a)(2), to file a proposed second amended complaint. Defendants filed a joint memorandum of law in opposition to Lead Plaintiffs’ motion and Lead Plaintiffs filed a reply brief in support of their motion on August 22, 2019.

22. In September 2019, Lead Plaintiffs and Defendants, through their counsel, conferred on the possibility of reaching a negotiated resolution of the Action and agreed to retain Michelle Yoshida (the “Mediator”) to help facilitate settlement discussions. Following continued, extensive arm’s-length negotiations, on November 26, 2019, pursuant to the Mediator’s recommendation, the Parties agreed, in principle, to settle all claims in the Action for \$3,325,000, subject to the execution of a customary stipulation and agreement of settlement and related papers. The Stipulation (together with its exhibits) constitutes the final and binding agreement between the Parties.

3. Why is this a class action?

23. In a class action, one or more persons or entities (in this case, Lead Plaintiffs), sue on behalf of people and entities who have similar claims. Together, these people and entities are a “class,” and each is a “class member.” Class actions allow the adjudication

³ Mr. Tod has passed away and is therefore no longer a lead plaintiff.

of many individuals' similar claims that might be too small to bring economically as individual actions. One court resolves the issues for all class members at the same time, except for those who exclude themselves, or "opt-out," from the class.

4. What are the reasons for the Settlement?

24. Lead Plaintiffs and Co-Lead Counsel believe that the claims asserted in the Action are strong. They recognize, however, the expense and length of continued proceedings needed to pursue the claims through an appeal of the Court's Dismissal Judgment, class certification, summary judgment, trial and post-trial appeals, as well as the difficulties inherent in establishing liability as to Defendants. For example, Defendants have raised arguments and defenses (which they would likely continue to raise in further motions to dismiss, motions for summary judgment, and at trial) countering Lead Plaintiffs' allegations, such as that there were no misrepresentations and that Defendants acted in good faith and in a manner they reasonably believed to be in accordance with all applicable rules, regulations, and laws. In the absence of a settlement, assuming the claims proceed after the Dismissal Judgment, the Parties would present factual and expert testimony on each of the issues in dispute, and there is a risk that the Court or jury would resolve these issues unfavorably against Lead Plaintiffs and the Settlement Class. Lead Plaintiffs and Co-Lead Counsel believe that the proposed Settlement is fair, reasonable, and adequate, and in the best interests of the Settlement Class.

25. Defendants have denied and continue to deny each and every one of the claims alleged by Lead Plaintiffs in the Action, including all claims in the Complaint. Nonetheless, Defendants have concluded that continuation of the Action as against them would be protracted and expensive, and have taken into account the uncertainty and risks inherent in any litigation, especially a complex case like this Action.

WHO IS IN THE SETTLEMENT

5. How do I know if I am part of the Settlement Class?

26. The Court directed, for the purposes of the proposed Settlement, that everyone who fits the following description is a Settlement Class Member and subject to the Settlement unless they are an excluded person (see Question 6 below) or take steps to exclude themselves from the Settlement Class (see Question 11 below):

all persons and entities that purchased or otherwise acquired Class A, Class C, and/or Class I shares of the Catalyst Hedged Futures Strategy Fund during the period from November 1, 2014 through June 30, 2017, inclusive, and were allegedly damaged thereby.

27. Check your investment records or contact your broker to see if you have any eligible purchases or acquisitions.

6. Are there exceptions to being included?

28. Yes. There are some individuals and entities that are excluded from the Settlement Class by definition. Excluded from the Settlement Class are: (i) Defendants and their affiliates; (ii) the officers, directors, and/or trustees of the Trust, Catalyst, NLD, or the Fund during the Class Period; (iii) members of the immediate families of any such excluded person; (iv) any firm, trust, corporation, or entity in which any Defendant has a controlling interest; and (v) the legal representatives, heirs, successors, and assigns of any excluded person or entity. Also excluded from the Settlement Class is anyone who timely and validly seeks exclusion from the Settlement Class in accordance with the procedures described in Question 11 below.

THE SETTLEMENT BENEFITS

7. What does the Settlement provide?

29. In exchange for the Settlement and the release of the Released Claims against the Released Defendant Parties (see Question 10 below), Defendants have agreed to pay, or cause to be paid, \$3,325,000, which, along with any interest earned, will be distributed after deduction of Court-awarded attorneys' fees and litigation expenses, Notice and Administration Expenses, Taxes, and any other fees or expenses approved by the Court (the "Net Settlement Fund"), to Settlement Class Members who send in valid and timely Claim Forms.

8. How can I receive payment?

30. To qualify for a payment from the Net Settlement Fund, you must submit a timely and valid Claim Form. A Claim Form can be downloaded from the website for the Settlement: www.CatalystSecuritiesSettlement.com. You can also request that a Claim Form be mailed to you by calling the Claims Administrator toll-free at (877) 236-1413.

31. Please read the instructions in the Claim Form carefully. Fill out the Claim Form, include all the documents the form requests, sign it, and either mail it to the Claims Administrator using the address listed in the Claim Form or submit it online at www.CatalystSecuritiesSettlement.com. Claim Forms must be *postmarked (if mailed) or submitted online no later than August 17, 2020*.

9. When will I receive my payment?

32. The Court will hold a Settlement Hearing on **September 3, 2020**, to decide, among other things, whether to finally approve the Settlement. Even if the Court approves the Settlement, there may be appeals which can take time to resolve, perhaps more than a year. It also takes a long time for all of the Claim Forms to be accurately reviewed and processed. If you have an eligible claim, you will receive a payment after the Settlement reaches its Effective Date and Claim Forms have been processed and evaluated. Please be patient.

10. What am I giving up to receive a payment and by staying in the Settlement Class?

33. If you are a Settlement Class Member and do not timely and validly exclude yourself from the Settlement Class, you will remain in the Settlement Class and that means that, upon the “Effective Date” of the Settlement, you will release all “Released Claims” against the “Released Defendant Parties.”

(a) **“Released Claims”** means any and all complaints, claims, third-party claims, cross-claims, counterclaims, demands, allegations, liabilities, obligations, promises, agreements, controversies, actions, causes of action, suits, rights, damages, costs, losses, debts, charges, and expenses (including Unknown Claims (as defined below) and attorneys’ fees, expert fees, and disbursements of counsel and other professionals) of any and every nature whatsoever, whether in law or in equity, whether arising under federal, state, local, or statutory or common law or any other law, rule, or regulation (whether foreign or domestic), whether currently known or unknown, fixed or contingent, suspected or unsuspected, foreseen or unforeseen, ripened or unripened, accrued or unaccrued, liquidated or unliquidated, or matured or not matured, whether arising in equity or under the law of contract, tort, malpractice, statutory breach, or any other legal right or duty, whether direct, class, individual, or representative, and to the fullest extent that the law permits their release in this lawsuit, that Lead Plaintiffs, or any other member of the Settlement Class: (a) asserted in the Action, or (b) could have asserted against any of the Released Defendant Parties in the Action or in any forum that arise out of, relate to, are connected with, or in any way concern both (i) the allegations, transactions, facts, matters, occurrences, representations, or omissions involved, set forth, alleged, or referred to in the Action, or relating to actions or inactions with respect to the Fund, and (ii) the purchase or acquisition of shares of the Fund during the Class Period. Released Claims does not include: (a) claims in any governmental or regulatory agency proceeding or action, including the right of any Settlement Class Member to recover therein; (b) claims asserted in: *Kalvin Chum v. Jerry Szilagyi, et al.*, No. 17 CV 006933 (Franklin Cty. Ct. of Common Pleas, OH), or (c) claims to enforce the Settlement.

(b) **“Released Defendant Parties”** means Defendants, Defendants’ Counsel, and each of their respective predecessors, successors, parent corporations, sister corporations, past, present, or future subsidiaries, affiliates, principals, assigns, assignors, heirs, legatees, devisees, executors, administrators, estates, heirs, spouses, immediate family members, receivers and trustees, settlors, beneficiaries, officers, directors, members, shareholders, employees, independent contractors, servants, agents, partners, insurers, reinsurers, representatives, attorneys, legal representatives, and successors-in-interest of Defendants.

(c) **“Unknown Claims”** means any and all Released Claims that Lead Plaintiffs or any other Settlement Class Member do not know or suspect to exist in his, her, or its favor at the time of the release of the Released Defendant Parties, and any and all Released Defendants’ Claims that any Defendant does not know or suspect to exist in his, her, or its favor at the time of the release of the Released Plaintiff Parties, which if known by him, her, or it might have affected his, her, or its decision(s) with respect to the Settlement, including the decision to object to the terms of the Settlement or to exclude himself, herself, or itself from the Settlement Class. With respect to any and all Released Claims and Released Defendants’ Claims, the Parties stipulate and agree that, upon the Effective Date, Lead Plaintiffs and Defendants shall expressly, and each Settlement Class Member shall be deemed to have, and by operation of the Judgment or Alternative Judgment shall have, to the fullest extent permitted by law, expressly waived and relinquished any and all provisions, rights and benefits conferred by any law of any state or territory of the United States or foreign law, or principle of common law, which is similar, comparable, or equivalent to Cal. Civ. Code § 1542, which provides:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

Lead Plaintiffs, other Settlement Class Members, or Defendants may hereafter discover facts, legal theories, or authorities in addition to or different from those which any of them now knows, suspects, or believes to be true with respect to the Action, the Released Claims, or the Released Defendants’ Claims, but Lead Plaintiffs and Defendants shall expressly, fully, finally, and forever settle and release, and each Settlement Class Member shall be deemed to have fully, finally, and forever settled and released, and upon the Effective Date and by operation of the Judgment or Alternative Judgment shall have settled and released, fully, finally, and forever, any and all Released Claims and Released Defendants’ Claims as applicable, without regard to the subsequent discovery or existence of such different or additional facts, legal theories, or authorities. Lead Plaintiffs and Defendants acknowledge, and all Settlement Class Members by operation of law shall be deemed to have acknowledged, that the inclusion of “Unknown Claims” in the definition of Released Claims and Released Defendants’ Claims was separately bargained for and was a material element of the Settlement.

34. The “Effective Date” will occur when an Order entered by the Court approving the Settlement becomes Final and is not subject to appeal. If you remain a member of the Settlement Class, all of the Court’s orders about the Settlement, whether favorable or unfavorable, will apply to you and legally bind you.

35. Upon the “Effective Date,” Defendants will also provide a release of any claims against Lead Plaintiffs, the Settlement Class, and the Released Plaintiff Parties arising out of or related to the institution, prosecution, or settlement of the claims in the Action.

EXCLUDING YOURSELF FROM THE SETTLEMENT CLASS

36. If you want to keep any right you may have to sue or continue to sue Defendants and the other Released Defendant Parties on your own concerning the Released Claims, then you must take steps to remove yourself from the Settlement Class. This is called excluding yourself or “opting out.” **Please note:** If you decide to exclude yourself, there is a risk that any lawsuit you may file to pursue claims against Defendants may be dismissed, including because the suit is not filed within the applicable time periods required for filing suit. Defendants may also terminate the Settlement if more than a certain number of Settlement Class Members request exclusion.

11. How do I exclude myself from the Settlement Class?

37. To exclude yourself from the Settlement Class, you must mail a signed letter stating that you request to be “excluded from the Settlement Class in *Emerson, et al. v. Mutual Fund Series Trust, et al.*, No. 2:17-cv-02565 (E.D.N.Y).” You cannot exclude yourself by telephone or e-mail. Each request for exclusion must also: (i) state the name, address and telephone number of the person or entity requesting exclusion; (ii) state the number of shares of the Fund the person or entity purchased and sold during the Class Period, as well as the dates and prices of each such purchase and sale; and (iii) be signed by the Person requesting exclusion or an authorized representative. A request for exclusion must be mailed to the following so that it is **received no later than August 13, 2020**:

Emerson v. Mutual Fund Series Trust
Claims Administrator
c/o A.B. Data, Ltd.
P.O. Box 173101
Milwaukee, WI 53217

38. This information is needed to determine whether you are a member of the Settlement Class. Your exclusion request must comply with these requirements in order to be valid. **If you do not provide your transactional information, you will not be excluded from the Settlement Class.** If you ask to be excluded, do not submit a Claim Form because you cannot receive any payment from the Net Settlement Fund. Also, you cannot object to the Settlement because you will not be a Settlement Class Member. However, if you submit a valid exclusion request, you will not be legally bound by the Settlement, and you may be able to sue (or continue to sue) Defendants and the other Released Defendant Parties in the future.

12. If I do not exclude myself, can I sue Defendants and the other Released Defendant Parties for the same thing later?

39. No. Unless you properly exclude yourself, you will give up any rights to sue Defendants and the other Released Defendant Parties for any and all Released Claims. If you have a pending lawsuit against any of the Released Defendant Parties, **speak to your lawyer in that case immediately.** You must exclude yourself from the Settlement Class to continue your own lawsuit. Remember, the exclusion deadline is **August 13, 2020.**

13. If I exclude myself, can I get money from the proposed Settlement?

40. No, only Settlement Class Members are eligible to recover money from the Settlement.

THE LAWYERS REPRESENTING YOU

14. Do I have a lawyer in this case?

41. Labaton Sucharow LLP and Robbins Geller Rudman & Dowd LLP are Co-Lead Counsel in the Action and represent all Settlement Class Members. You will not be separately charged for these lawyers. The Court will determine the amount of Co-Lead Counsel’s attorneys’ fees and expenses, which will be paid from the Settlement Fund. If you want to be represented by your own lawyer, you may hire one at your own expense.

15. How will the lawyers be paid?

42. Co-Lead Counsel have been prosecuting the Action on a contingent basis and have not been paid for any of their work. Co-Lead Counsel will apply to the Court for an award of attorneys’ fees, on behalf of themselves and all other Plaintiffs’ Counsel, of no more than 25% of the Settlement Fund, which will include any accrued interest. Co-Lead Counsel were assisted in this case by The Schall Law Firm, Goldberg Law PC, and Johnson Fistel, LLP (collectively with Co-Lead Counsel, “Plaintiffs’ Counsel”), which

provided additional legal assistance to the Lead Plaintiffs. Co-Lead Counsel have agreed to share the awarded attorneys' fees with Schall Law, Goldberg Law, and Johnson. The payments to these additional firms will in no way increase the fees that are deducted from the Settlement Fund, and no other attorneys will share the awarded attorneys' fees. Co-Lead Counsel will also seek payment of litigation expenses incurred in the prosecution of the Action of no more than \$170,000, plus accrued interest, which may include an application for awards to the Lead Plaintiffs in accordance with the PSLRA in connection with their representation of the Settlement Class. Any attorneys' fees and expenses awarded by the Court will be paid from the Settlement Fund. Settlement Class Members are not personally responsible for any such fees or expenses.

OBJECTING TO THE SETTLEMENT, THE PLAN OF ALLOCATION, AND/OR THE FEE AND EXPENSE APPLICATION

16. How do I tell the Court that I do not like something about the proposed Settlement?

43. If you are a Settlement Class Member, you can object to the Settlement or any of its terms, the Fee and Expense Application, and/or the proposed Plan of Allocation of the Net Settlement Fund. You may write to the Court about why you think the Court should not approve any or all of the Settlement terms or related relief. If you would like the Court to consider your views, you must file a proper objection within the deadline, and according to the following procedures.

44. To object, you must send a signed letter stating that you object to the proposed Settlement, the Fee and Expense Application, and/or the Plan of Allocation in "*Emerson, et al. v. Mutual Fund Series Trust, et al.*, No. 2:17-cv-02565 (E.D.N.Y)." Your objection must state why you are objecting and whether your objection applies only to you, a subset of the Settlement Class, or the entire Settlement Class. The objection must also: (i) state the name, address, and telephone number of the objector and must be signed by the objector; (ii) contain a statement of the Settlement Class Member's objection or objections and the specific reasons for each objection, including any legal and evidentiary support (including witnesses) the Settlement Class Member wishes to bring to the Court's attention; and (iii) include information sufficient to prove the objector's membership in the Settlement Class, including the number of shares of the Fund purchased and sold during the Class Period, as well as the dates and prices of each such purchase and sale. Unless otherwise ordered by the Court, any Settlement Class Member who does not object in the manner described in this Notice will be deemed to have waived any objection and will be forever foreclosed from making any objection to the proposed Settlement, the Plan of Allocation, and/or the request for attorneys' fees and expenses. Your objection must be filed with the Court ***no later than August 13, 2020, and*** be mailed or delivered to the following counsel so that it is ***received no later than August 13, 2020:***

<u>Court</u>	<u>Co-Lead Counsel</u>	<u>Defendants' Counsel Representative</u>
Clerk of the Court United States District Court Eastern District of New York 100 Federal Plaza Central Islip, NY 11722	Labaton Sucharow LLP James W. Johnson, Esq. 140 Broadway New York, NY 10005	Lazare Potter Giacovas & Moyle LLP James F. Moyle, Esq. 747 Third Avenue Floor 16 New York, NY 10017
	Robbins Geller Rudman & Dowd LLP Evan J. Kaufman, Esq. 58 South Service Road Suite 200 Melville, NY 11747	

45. You do not need to attend the Settlement Hearing to have your written objection considered by the Court. However, any Settlement Class Member who has complied with the procedures described in this Question 16 and below in Question 20 may appear at the Settlement Hearing and be heard, to the extent allowed by the Court. An objector may appear in person or arrange, at his, her, or its own expense, for a lawyer to represent him, her, or it at the Settlement Hearing.

17. What is the difference between objecting and seeking exclusion?

46. Objecting is telling the Court that you do not like something about the proposed Settlement, the Fee and Expense Application, or the Plan of Allocation. You can still recover money from the Settlement. You can object *only* if you stay in the Settlement Class. Excluding yourself is telling the Court that you do not want to be part of the Settlement Class. If you exclude yourself from the Settlement Class, you have no basis to object because the Settlement no longer affects you.

THE SETTLEMENT HEARING

18. When and where will the Court decide whether to approve the proposed Settlement?

47. The Court will hold the Settlement Hearing on **September 3, 2020, at 9:00 a.m.**, in Courtroom 1020 of the United States District Court of the Eastern District of New York, Long Island Courthouse, 100 Federal Plaza, Central Islip, New York 11722.

48. At this hearing, the Court will consider whether: (i) the Settlement is fair, reasonable, adequate, and should be approved; (ii) the Plan of Allocation is fair and reasonable, and should be approved; and (iii) the application of Co-Lead Counsel for an award of

attorneys' fees and payment of litigation expenses, including awards to the Lead Plaintiffs, is reasonable and should be approved. The Court will take into consideration any written objections filed in accordance with the instructions in Question 16 above. We do not know how long it will take the Court to make these decisions.

49. You should be aware that the Court may change the date and time of the Settlement Hearing without another notice being sent to Settlement Class Members. If you want to attend the hearing, you should check with Co-Lead Counsel or visit the Settlement website www.CatalystSecuritiesSettlement.com beforehand to be sure that the hearing date and/or time has not changed.

19. Do I have to come to the Settlement Hearing?

50. No. Co-Lead Counsel will answer any questions the Court may have. But, you are welcome to attend at your own expense. If you submit a valid and timely objection, the Court will consider it and you do not have to come to Court to discuss it. You may have your own lawyer attend (at your own expense), but it is not required. If you do hire your own lawyer, he or she must file and serve a Notice of Appearance in the manner described in the answer to Question 20 below **no later than August 13, 2020**.

20. May I speak at the Settlement Hearing?

51. You may ask the Court for permission to speak at the Settlement Hearing. To do so, you must, **no later than August 13, 2020**, submit a statement that you, or your attorney, intend to appear in "*Emerson, et al. v. Mutual Fund Series Trust, et al.*, No. 2:17-cv-02565 (E.D.N.Y)." Persons who intend to present evidence at the Settlement Hearing must also include in their objections (prepared and submitted in accordance with the answer to Question 16 above) the identities of any witnesses they may wish to call to testify and any exhibits they intend to introduce into evidence at the Settlement Hearing. You may not speak at the Settlement Hearing if you exclude yourself from the Settlement Class or if you have not provided written notice of your intention to speak at the Settlement Hearing in accordance with the procedures described in this Question 20 and Question 16 above.

IF YOU DO NOTHING

21. What happens if I do nothing at all?

52. If you do nothing and you are a member of the Settlement Class, you will receive no money from this Settlement and you will be precluded from starting a lawsuit, continuing with a lawsuit, or being part of any other lawsuit against Defendants and the other Released Defendant Parties concerning the Released Claims. To share in the Net Settlement Fund, you must submit a Claim Form (*see* Question 8 above). To start, continue, or be a part of any other lawsuit against Defendants and the other Released Defendant Parties concerning the Released Claims, you must exclude yourself from the Settlement Class (*see* Question 11 above).

Please do not call the Court with questions about the Settlement.

PLAN OF ALLOCATION OF THE NET SETTLEMENT FUND

23. How will my claim be calculated?

55. The Plan of Allocation (the "Plan of Allocation" or "Plan") set forth below is the plan that is being proposed by Lead Plaintiffs and Co-Lead Counsel to the Court for approval. The Court may approve this Plan of Allocation or modify it without additional notice to the Settlement Class. Any order modifying the Plan will be posted on the Settlement website at: www.CatalystSecuritiesSettlement.com.

56. The Settlement Amount and the interest it earns is the "Settlement Fund." The Settlement Fund, after deduction of Court-approved attorneys' fees and expenses, Notice and Administration Expenses, Taxes, and any other fees or expenses approved by the Court is the "Net Settlement Fund." The Net Settlement Fund will be distributed to members of the Settlement Class who timely submit valid Claim Forms that show a Recognized Claim according to the Plan of Allocation approved by the Court.

57. The objective of this Plan of Allocation is to equitably distribute the Net Settlement Fund among Authorized Claimants who purchased or acquired one or more Class A (HFXAX), Class C (HFXCX), and/or Class I (HFXIX) shares of the Catalyst Hedged Futures Strategy Fund (collectively, the “Catalyst Securities”) pursuant or traceable to the Funds November 1, 2014, prospectus, and suffered economic losses allegedly as a result of the claimed violations of the Securities Act. No other securities other than the Catalyst Securities are eligible for compensation under the Settlement. In this case, Lead Plaintiffs allege that the Fund’s Registration Statements and Prospectuses contained false statements and omitted material facts that damaged members of the Settlement Class. This Plan is intended to be generally consistent with an assessment of, among other things, the damages that Lead Plaintiffs and Co-Lead Counsel believe were recoverable in the Action pursuant to the Securities Act.

58. The Plan of Allocation, however, is not a formal damages analysis, and the calculations made pursuant to the Plan are not intended to be estimates of, nor indicative of, the amounts that Settlement Class Members might have been able to recover after a trial. The computations under the Plan of Allocation are only a method to weigh the claims of Authorized Claimants against one another for the purposes of making *pro rata* allocations of the Net Settlement Fund. An individual Settlement Class Member’s recovery will depend on, for example: (i) the total number and value of claims submitted; (ii) when the claimant purchased or acquired shares of the Fund; and (iii) whether and when the claimant sold his, her, or its shares of the Fund.

59. Because the Net Settlement Fund is less than the total losses alleged to be suffered by Settlement Class Members, the formulas described below for calculating Recognized Losses are not intended to estimate the amount that will actually be paid to Authorized Claimants. Rather, these formulas provide the basis on which the Net Settlement Fund will be distributed among Authorized Claimants on a *pro rata* basis. An Authorized Claimant’s “Recognized Claim” shall be the amount used to calculate the Authorized Claimant’s *pro rata* share of the Net Settlement Fund. The *pro rata* share shall be the Authorized Claimant’s Recognized Claim divided by the total of the Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund.

60. Defendants, their respective counsel, and all other Released Defendant Parties will have no responsibility or liability for the investment of the Settlement Fund, the distribution of the Net Settlement Fund, the Plan of Allocation, or the payment of any claim. Lead Plaintiffs, Co-Lead Counsel, and anyone acting on their behalf, likewise will have no liability for their reasonable efforts to execute, administer, and distribute the Settlement.

CALCULATION OF RECOGNIZED LOSS AMOUNTS

61. For purposes of determining whether a claimant has a Recognized Claim, purchases and sales of Class A, Class C, and/or Class I shares of the Fund will first be matched on a First In/First Out (“FIFO”) basis of like securities.⁴ If a Settlement Class Member has more than one purchase or sale of the Fund during the Class Period, all purchases and sales shall be matched on a FIFO basis. Class Period sales will be matched first against any holdings of like securities at the beginning of the Class Period and then against purchases in chronological order, beginning with the earliest purchase made during the Class Period. For purposes of this Plan, “sales price” refers to the proceeds received, if any, upon the redemption of each share.

62. The Claims Administrator will calculate a “Recognized Loss Amount,” as set forth below, for each purchase of Class A, Class C, and/or Class I shares of the Fund during the Class Period from November 1, 2014, through June 30, 2017, that is listed in the Claim Form and for which adequate documentation is provided. To the extent that the calculation of a claimant’s Recognized Loss Amount results in a negative number (a gain), that number shall be set to zero. The sum of a claimant’s Recognized Loss Amounts will be the claimant’s “Recognized Claim.”

63. The allocations below are based on the Net Asset Value of Class A shares of \$8.61 per share, Class C shares of \$8.35 per share, and Class I shares of \$8.70 per share, at the end of the Class Period: June 30, 2017.

Calculation of Recognized Loss Amounts for Class A Shares Section 11 Claims

64. For each Catalyst Hedged Futures Strategy Fund Class A share purchased or traceable to the Fund’s prospectuses dated from November 1, 2014, through June 30, 2017, and:

- (a) Sold on or prior to January 31, 2017, the Recognized Loss Amount is zero.
- (b) Retained at the end of January 31, 2017, and sold on or before June 30, 2017, the Recognized Loss Amount is equal to the Net Asset Value per share at purchase less the Net Asset Value per share at sale.
- (c) Retained at the end of June 30, 2017, the Recognized Loss Amount is equal to the Net Asset Value per share at purchase less \$8.61 (the Net Asset Value per share on June 30, 2017).

⁴ Purchases and sales of Class A shares shall be matched only with purchases and sales of Class A shares. Purchases and sales of Class C shares shall be matched only with purchases and sales of Class C shares. Purchases and sales of Class I shares shall be matched only with purchases and sales of Class I shares.

Calculation of Recognized Loss Amounts for Class C Shares Section 11 Claims

65. For each Catalyst Hedged Futures Strategy Fund Class C share purchased or traceable to the Fund's prospectuses dated from November 1, 2014, through June 30, 2017, and:

- (a) Sold on or prior to January 31, 2017, the Recognized Loss Amount is zero.
- (b) Retained at the end of January 31, 2017, and sold on or before June 30, 2017, the Recognized Loss Amount is equal to the Net Asset Value per share at purchase less the Net Asset Value per share at sale.
- (c) Retained at the end of June 30, 2017, the Recognized Loss Amount is equal to the Net Asset Value per share at purchase less \$8.35 (the Net Asset Value per share on June 30, 2017).

Calculation of Recognized Loss Amounts for Class I Shares Section 11 Claims

66. For each Catalyst Hedged Futures Strategy Fund Class I share purchased or traceable to the Fund's prospectuses dated from November 1, 2014, through June 30, 2017, and:

- (a) Sold on or prior to January 31, 2017, the Recognized Loss Amount is zero.
- (b) Retained at the end of January 31, 2017, and sold on or before June 30, 2017, the Recognized Loss Amount is equal to the Net Asset Value per share at purchase less the Net Asset Value per share at sale.
- (c) Retained at the end of June 30, 2017, the Recognized Loss Amount is equal to the Net Asset Value per share at purchase less \$8.70 (the Net Asset Value per share on June 30, 2017).

ADDITIONAL PROVISIONS

67. Purchases and sales of shares of the Catalyst Securities shall be deemed to have occurred on the "contract" or "trade" date as opposed to the "settlement" or "payment" date. The receipt or grant by gift, inheritance, or operation of law of shares during the Class Period shall not be deemed a purchase of such shares for the calculation of an Authorized Claimant's Recognized Claim, nor shall the receipt or grant be deemed an assignment of any claim relating to the purchase of such shares unless: (i) the donor or decedent purchased or otherwise acquired such shares during the Class Period; (ii) no Claim Form was submitted by or on behalf of the donor, on behalf of the decedent, or by anyone else with respect to such shares; and (iii) it is specifically so provided in the instrument of gift or assignment.

68. The Net Settlement Fund will be allocated among all Authorized Claimants whose prorated payment is \$10.00 or greater. If the prorated payment to any Authorized Claimant calculates to less than \$10.00, it will not be included in the calculation and a distribution will not be made to that Authorized Claimant.

69. Payment according to this Plan of Allocation will be deemed conclusive against all Authorized Claimants. Recognized Claims will be calculated as defined herein by the Claims Administrator and cannot be less than zero. Please contact the Claims Administrator or Co-Lead Counsel if you disagree with any determinations made by the Claims Administrator regarding your Proof of Claim. If you are dissatisfied with the determination of your claim, you may ask the Court, which retains jurisdiction over all Settlement Class Members and the claims administration process, to decide the issue by submitting a written request to the Claims Administrator.

70. Distributions will be made to eligible Authorized Claimants after all claims have been processed and after the Court has finally approved the Settlement and the Settlement has reached its Effective Date. If there is any balance remaining in the Net Settlement Fund (whether by reason of tax refunds, uncashed checks, or otherwise) after at least six (6) months from the date of initial distribution of the Net Settlement Fund, the Claims Administrator shall, if feasible and economical after payment of Notice and Administration Expenses, Taxes, and attorneys' fees and expenses, if any, redistribute such balance among Authorized Claimants who have cashed their initial checks in an equitable and economic fashion. These redistributions will be repeated until the balance remaining in the Net Settlement Fund is no longer feasible or economical to reallocate. After payment of outstanding Notice and Administration Expenses, Taxes, and attorneys' fees and expenses, if any, the remaining balance shall be contributed to the Council of Institutional Investors, or such other non-sectarian, not-for-profit organization(s) approved by the Court.

71. Payment pursuant to the Plan of Allocation or such other plan as may be approved by the Court shall be conclusive against all Authorized Claimants. No person shall have any claim against Lead Plaintiffs, Co-Lead Counsel, the Claims Administrator, or other agent designated by Co-Lead Counsel, arising from determinations or distributions to claimants made substantially in accordance with the Stipulation, the Plan of Allocation approved by the Court, or further orders of the Court. Lead Plaintiffs, Defendants, their respective counsel, and all other Released Parties shall have no responsibility for or liability whatsoever for the investment or distribution of the Settlement Fund, the Net Settlement Fund, the Plan of Allocation or the determination, administration, calculation, or payment of any Claim Form or non-performance of the Claims Administrator, the payment or withholding of taxes owed by the Settlement Fund or any losses incurred in connection therewith.

72. Each claimant is deemed to have submitted to the jurisdiction of the United States District Court for the Eastern District of New York with respect to his, her, or its claim.

SPECIAL NOTICE TO SECURITIES BROKERS AND NOMINEES

73. If you purchased Class A (HFXAX), Class C (HFXCX), and/or Class I (HFXIX) shares of the Catalyst Hedged Futures Strategy Fund during the Class Period for the beneficial interest of a person or entity other than yourself, the Court has directed that **WITHIN TEN (10) CALENDAR DAYS OF YOUR RECEIPT OF THIS NOTICE, YOU MUST EITHER:** (a) provide to the Claims Administrator the name and last known address of each person or entity for whom or which you purchased shares of the Fund during the Class Period; or (b) request additional copies of the Postcard Notice from the Claims Administrator, which will be provided to you free of charge, and **WITHIN TEN (10) CALENDAR DAYS** of receipt, mail the Postcard Notice directly to all the beneficial owners of those securities. You must also provide email addresses of such beneficial owners to the Claims Administrator, to the extent available. If you choose to follow procedure (b), the Court has also directed that, upon making that mailing, **YOU MUST SEND A STATEMENT** to the Claims Administrator confirming that the mailing was made as directed and keep a record of the names and mailing addresses used. You are entitled to reimbursement from the Settlement Fund of your reasonable out-of-pocket expenses (not to exceed \$0.10 per name and mailing address or \$0.20, plus postage at the then current pre-sort rate used by the Claims Administrator, per Postcard Notice) actually incurred in connection with the foregoing, assuming the expenses would not have been incurred except for the sending of such Notice.
